Report on Activities Conducted by Training & Placement Cell (Aug. 2025 – May 2026)

Upon assuming charge of the Training & Placement (T&P) Cell in August 2025, an annual action plan was formulated to streamline student engagement and career development initiatives. A structured team comprising **25 student coordinators other than 3 faculty coordinators** was constituted through a rigorous selection process modeled on industry hiring practices, including resume shortlisting, verbal assessment, group discussion, and personal interviews. Additionally, faculty members were nominated for the **NVIDIA Coach Certification Program (December 2025)** to enhance institutional capacity in emerging AI domains.

Subsequently, a comprehensive layout and requirement plan for the T&P Cell was prepared and formally proposed to the Director for necessary approvals and implementation.

In November 2025, the T&P Cell facilitated **out-campus workshops** for 2nd and 3rd year students of Electronics Engineering and Computer Science & Engineering (CSE). These workshops were conducted under AKTU in collaboration with Scortek India Pvt. Ltd. (**Embedded Systems**) and Softpro India Pvt. Ltd. (**Web Technologies**), benefiting over **60 students**, all of whom received participation certificates.

The T&P Cell also facilitated the **live telecast of “AI Manthan”**, a two-day workshop conducted by AKTU on 27–28 January 2026, focusing on emerging trends, applications, and the transformative role of Artificial Intelligence in higher education, research, administration, and governance.

The TPO was nominated as Nodal Officer for the **India AI Impact Summit 2026**, escorting a **delegation of 15 students** to Bharat Mandapam, New Delhi on 18th February 2026. Students gained valuable exposure through direct interaction with industry experts, corporates, and exhibitors.

The T&P Cell actively encouraged student participation in national-level competitions such as the **YUVAi Global Impact Challenge** and **HCL GUVI Hackathon**, where students successfully participated and earned certifications.

In March 2026, a **one-day seminar-cum-workshop on Professional Grooming and Career Readiness** was organized in association with Scortek India Pvt. Ltd. on 23rd March. The event witnessed participation from over **100 students across all branches**, covering key areas such as resume building, LinkedIn profile optimization, and interview skills.

On 24th March 2026, an **orientation session** was conducted in collaboration with CSRBOX for **IBM SkillsBuild** (a CSR initiative of IBM). A **3-year MoU** was signed to ensure continuous engagement through workshops, FDPs, training programs, and internships, fully funded by IBM with no financial burden on the institute.

On 25th March 2026, a seminar on “**Consciousness and Well-being**” was organized, benefiting over **120 students** by focusing on mental, spiritual, and personality development. In the same period, the TPO also played a crucial role in enhancing student participation in the **blood donation camp** held on 19 March 2026, reflecting commitment towards social responsibility.

In the first week of April 2026, the T&P Cell ensured smooth coordination for faculty participation in **Sadhana Saptah** on the iGOT Karmayogi platform, resulting in over **70 certifications** and several AI Daksh badges. During **2–8 April 2026**, the T&P Cell also facilitated registration of students and faculty in the **AI for ALL campaign** organized by MGUG University, Gorakhpur, contributing towards a Guinness World Record initiative.

Further, the T&P Cell established its **official LinkedIn page** to ensure continuous updates and strengthen the institute’s digital presence. It also facilitated student registrations on **URISE Portal and Rojgar Sangam Portal**, enhancing employability opportunities. The TPO actively participated in administrative meetings concerning **ISP portal integration** and review of the report titled “*Gyaan Deep Va Yuva Shakti: Foundational to Frontier Education*” under Viksit UP@2047 for the Technical Education Department.

Additionally, the TPO contributed as a **jury member** in events such as Smart India Hackathon (SIH), Idea Pitching Competition, and Nari Shakti Vandan Debate, thereby fostering innovation and student engagement.

On 2nd May 2026, an **orientation session** for the **Lenovo LEAP: NextGen Scholar Program** (CSR initiative of Lenovo) was conducted in collaboration with BharatCares. Over **100 CSE students** participated and were offered free enrollment in a **6-week AICTE-approved summer internship** on Web Development with AI Integration (2 credits).

The T&P Cell has also consistently facilitated student internships and provided necessary **No Objection Certificates (NOCs)** and **recommendation letters** as required.

Overall, the T&P Cell has made significant progress in enhancing student employability, industry exposure, digital presence, and holistic development through structured planning, proactive initiatives, and strategic collaborations.
