Dear mentors/members,

We are pleased to announce the final list of clubs for the 2024-2025 academic year. Each club has been reviewed and approved based on the proposals submitted. We thank all coordinators, members, and faculty advisors for their enthusiasm, creativity, and commitment.

Please read the following instructions and next steps carefully:

- All clubs are expected to uphold the institution's values of respect, inclusivity, and professionalism.
- Any form of misconduct, academic negligence, or inappropriate representation may result in the suspension of club privileges.
- Any posters or promotional materials must be pre-approved by the designated faculty/administration.
- Ensure your club name reflects its theme and purpose. If your club's name is being changed or updated, inform the committee by 15th June 2025.
- Clubs must maintain consistency across all platforms (posters, events, etc.).
- Each club must confirm its faculty advisor's name and contact information.
- Advisors are expected to guide activities, oversee operations, and ensure academic alignment.
- Submit a final list of core members (with name, class, and contact) in the prescribed format.
- Member count should not exceed 15.
- Submit a brief activity roadmap for the semester/year. This should include:
 - Planned events/workshops
 - Internal meetings or sessions
 - Proposed dates or months
- This helps us coordinate calendars and resources efficiently.
