Dear mentors/members,

We are pleased to announce the **finalised list of clubs** for the academic year 2024-2025. Each club has been reviewed and approved based on the proposals submitted. We thank all coordinators, members, and faculty advisors for their enthusiasm, creativity, and commitment.

Please read the following **instructions and next steps** carefully:

- All clubs are expected to uphold the institution's values of respect, inclusivity, and professionalism.
- Any form of misconduct, academic negligence, or inappropriate representation may result in the suspension of club privileges.
- Any posters or promotional materials must be pre-approved by the designated faculty/administration.
- Ensure your club name reflects its theme or purpose. If your club's name is being changed or updated, inform the committee by 15<sup>th</sup> June 2025.
- Clubs must maintain consistency across all platforms (posters, events, etc.).
- Each club must confirm its faculty advisor's name and contact information.
- Advisors are expected to guide activities, oversee operations, and ensure academic alignment.
- Submit a final list of core members (with name, class, and contact) in the prescribed format.
- Member count should not exceed 50.
- Submit a brief activity roadmap for the semester/year. This should include:
  - Planned events/workshops
  - Internal meetings or sessions
  - Proposed dates or months
- This helps us coordinate calendars and resources efficiently.
