Last Date of Registration: 22 March, 2026, 5:00 PM

Registration Fees:

NIL

Mode of Course:

One Day Offline Workshop with interactive and practical sessions.

E-Certificates will be provided to participants.

About the Institution:

Bharat Ratna Sardar Vallabh Bhai Patel Rajkiya Engineering College, Basti is a government engineering institution established to provide quality technical education in Uttar Pradesh. Located in a calm and academic-friendly environment, the college offers undergraduate programs in core engineering branches such as Computer Science, Electrical, Civil, and Electronics Engineering. The institute has a campus with modern academic buildings, laboratories, hostels, and essential facilities like Wi-Fi, library, and student activity spaces. With a focus on academic excellence and overall development, the college is committed to nurturing skilled engineers and responsible professionals.

About the Programme:

The programme focuses on enhancing students career readiness and professional skills. It guides participants in creating strong resumes, building an optimized LinkedIn profile, and preparing effectively for interviews through practical strategies.

This session aims to improve communication, confidence, and professional presence. Through interactive sessions, mock interviews, GD practice and real-life insights, it would help students boost their employability and become better prepared for placements and future career opportunities.
